In submitting this application for housing in Dalhousie Non-profit Housing Co-operative, I understand and accept the general co-operative principles:

- open and voluntary membership
- member control through responsible participation in the Co-op's decisions
- return of "surplus" to members through reduced housing charges
- co-operative education and skill-sharing
- co-operation among co-operatives

I understand that through government financing and regulation, I will be receiving housing at cost and that cost will partly be determined by the level of services I require and the extent to which I fulfill my responsibilities to the community as a whole. These include prompt payment of housing charges and some participation as joint owner in the operation of the Co-operative.

I understand that my application will be accepted or rejected by the Board of Directors on the basis of the following criteria:

- willingness to participate in the operation of the Co-operative
- respect for the rights of the other members/residents
- demonstrated financial responsibility
- income and family size appropriate to the co-operative requirements
- willingness to contribute a minimum of two (2) hours per month in participation

I understand that this application is not an agreement on the part of Dalhousie Co-operative to provide me with rental accommodation. I certify that the information given in this application is correct to the best of my knowledge and I have fully disclosed my gross household income. I authorize Dalhousie Co-operative to undertake a landlord and credit check and verify all information given in this application and I authorize any person, corporation or social agency having the information, to release it to Dalhousie Co-operative.

I understand that, if the co-op accepts us for membership and offers us a unit, we must pay a one-time membership fee of \$10 for each member. I understand that I will sign a Housing Agreement before moving into my unit, and that on move-in day or earlier, I will pay by certified cheque, cash, or money order the amount of market rate to cover the Member Loan, or I will formally agree to pay this amount in no more than ten (10) monthly installments.

I understand that only members of Dalhousie Non-Profit Housing Co-operative Inc. may live in the co-op. I hereby apply for membership.
